Dear Charlotte:

It was a pleasure meeting with you last week. Enclosed are some of the articles I wrote for the *Welcomat* (now Philadelphia Weekly). I'm sending this particular collection of clips not only for writing style, but to show the range of music I covered.

My primary area of expertise is along the lines of roots-rock and singer-songwriters, but that includes country, blues, folk and all of rock.

Thanks for your time and consideration.

Sincerely,

Peter Brown
